You will need:

- 4 cups of flour
- 1/2 cup cookin oil (i.e. canola)

Instructions:

1. Add the oil to the flour and knead it through with your hands.
2. The flour absorbs just enough oil to be moldable, but it's not wet or sticky like batter.
3. Add food coloring to make portions that are different colors! As an added bonus, make shapes with it!
