

Frozen Paint

photo + activity credit: Anna Ranson

You will need:

- Empty Water Bottle
- Sponge
- Hot Glue
- Paint
- Water

Instructions:

- 1) Open empty bottle and trace top on the sponge and cut the circular outline out.
- 2) Add a bit of paint into the water bottle and dilute it.
- 3) Apply hot glue to the inner rim of bottle and put the sponge in and put glue around the outside as well.
