

Edible Baby Paint

Photo + activity credit: activelittles.com

You will need:

- Plain, baby yogurt
- ½ Teaspoon Koolaid packets of the colors you would like
- Paintbrushes or Kid Friendly Paint Brushes, or no need for a brush, use fingers instead!
- Optional: Ice cube tray or muffin tin (save yourself dishes)

Instructions:

1. Place ½ teaspoon of Koolaid into a bowl of baby yogurt.
2. Mix well with a spoon, and spoon the amount of yogurt paint you want into the ice cube tray or muffin tin.
3. Rinse the bowl, and repeat until you have the colors you want. Your edible kids' paint is ready to go!
